7 DAYS

## Day 1 | Auckland – Norfolk Island

SUNDAY 21 FEBRUARY (D)

We depart Auckland early this morning on our flight to Norfolk Island (via Sydney). On arrival, we will be met by our local representatives and transferred to our accommodation on the Island – Paradise Hotel & Resort.

## Day 2 | Norfolk Island

MONDAY 22 FEBRUARY (B,D)

We begin our day with an Island Orientation Tour - a must for all visitors to Norfolk. We explore the key historic areas, including Kingston, Cascade and Longridge. This is our chance to learn all about the fascinating history of Norfolk Island. See the famous convict buildings and enjoy the stories told in the full commentary as we visit each new place. Take in the amazing views from the lookouts, where we'll get to enjoy the beautiful beaches in all their glory. Learn about Norfolk Island government, laws and of course the unique lifestyle. Some of the highlights include the renowned Melanesian Chapel and a visit to the grounds of an old island home - where we will be served morning tea. The afternoon is free, until we meet for dinner this evening for a special Progressive Dinner. We enjoy a three-course meal progressing to different Norfolk Island family homes for each course. A fun night, and a great way to meet the local people, and sample some island dishes.

## Day 3 | Norfolk Island

TUESDAY 23 FEBRUARY (B,D)

Morning at leisure. After lunch, we enjoy an in-depth tour of the historic Georgian settlement of Kingston. Walk through the cemetery and hear the history of interesting convict and colonial headstones. Hear stories of the houses along quality row and walk through the ruins of the new gaol, see the Pier Store, Boat Shed and the Crank Mill. This evening, we have dinner included at Hilli's Restaurant.

## Day 4 | Norfolk Island

WEDNESDAY 24 FEBRUARY (B,D)

Early this morning, make your choice of a stroll through Hundred Acres Reserve or for the more energetic, a leisurely 3.5km walk through Mt. Bates to Captain Cook monument. At the end of the walks, we meet on the cliff-top for a delicious breakfast barbeque. (Travellers who do not wish to do a walk, will be able to join the group for the scenic clifftop breakfast). After some time at leisure, we start our Indulgence Tour on the south-eastern side of Norfolk Island, at Ball Bay - just another stunning bay with magnificent ocean views! Here we will learn all about how the locals get fuel ashore, as this is where the supply is unloaded. We then move on to Steeles Point, to enjoy the sheltered valleys behind the coastal cliffs. You may even spot a White Fairy Tern nesting in the forest! From here, we head to the Captain Cook Monument, a scenic lookout where we will stand at the spot on the northern coast where Captain James Cook and his officers landed in 1774. It has some of the best sea views on the Island, with offshore rock formations like Bird Rock and Elephant Rock. We will finish the day the way all fantastic days should end - with wine, cheese & crackers at a scenic spot. On this tour we will also visit Mount Pitt. The Lookout gives a 360° view of the whole island. Later tonight, we enjoy dinner at Governors Lodge, before we experience a magical journey through Norfolk Island's culture and history with an enchanting tour. Illuminated by fairy lights, towering Norfolk Pines and intricate dioramas we listen to stories of family life and the unique 'Norfk' language. Discover fascinating details, from cows, Cattlegrids to the 'Norfolk wave', all within a dreamlike atmosphere. This visitor favourite promises an unforgettable experience under the stars!

## Day 5 | Norfolk Island

THURSDAY 25 FEBRUARY (B,D)

On our morning tour, we learn about the proud history of the Pitcairn Islanders on Norfolk Island. In the grounds of a beautiful old island homestead, stroll through the outbuildings, browse through the Museum filled with items of nostalgic and historic interest, see the oldest working forge in the Pacific, look through an ex-New Zealand Army hut with war-time memorabilia and watch an exclusive film of Norfolk Island interest. After time for lunch, we visit Bounty Folk Museum, which tells the strange and startling history of Norfolk Island, from the harrowing tales of ill-fated convicts brought here, to the against-the-odds survival of the Bounty mutineers and their Tahitian wives. Discover Bounty memorabilia, early photographs of Pitcairn settlers, old weapons and some terrifying antique medical instruments. Browse handwritten research books and get lost in the page-turning plot of Norfolk Island's past. You'll also get a good sense of the day-to-day life on the island, not just the key historical events. For our final dinner on the Island, we enjoy a feast of local dishes, salads and homemade coconut bread, alongside mouth-watering fried fish that you won't forget. Our feast overlooks breathtaking coastal scenery as the sun sets – with live music in the background.
