

European Capitals

 **Tour Length:** 28 Days
 **Tour Departs:** 13 May 2027

As the title indicates, this is the “Grand” tour of Europe and should appeal to both first-time travellers to Europe as well as those who want to return and spend a bit more time in some of Europe's most impressive and historic cities. The leisurely pace of the tour is a feature as almost all city stays are for 3 nights.

A comprehensive programme of sightseeing has been included balanced by free time to allow for independent exploration. Starting our journey in Rome, we travel north to classical Florence and Venice before crossing into Austria and on to Vienna from where the Hapsburg monarchy dominated Europe for centuries. Prague has long been regarded as one of the most beautiful cities in Europe while Berlin is busy, bold and cosmopolitan. For something different, we travel by train to Amsterdam, the city of canals, and then on to romantic Paris, the City of Lights, where we conclude our European journey.
