DAY TO DAY ITINERARY

Saturday 14 May

Home- Dubai

Depart from your home International Airport on your flight to Dubai.

Sunday 15 May

Dubai (D)

We arrive in Dubai and after clearing Customs and Immigration formalities, we are met and transferred to our hotel for a two-night stay. There is time to rest up after the flight until mid-afternoon when we visit the Palm Jumeirah - one of the world's most daring developments. Jutting out into the Arabian Gulf, this man-made archipelago was built in the shape of a palm tree, with a 3-mile-long trunk and a fan of fronds lined with luxury villas and five-star hotels. From water parks and wildlife encounters to beach clubs and restaurants, there is an array of different activities on offer. One of the first things that strike you when visiting the Palm Jumeirah is its size. This giant

archipelago is visible from space and the outer crescent is more than 10 miles long. Afterward, we visit the Burj Khalifa, the tallest building in the world at 160 stories high. We travel to the observation deck which will provide you with a breath-taking unobstructed 360-degree view of the city, desert and ocean. We return to the hotel where we have dinner this evening.

Monday 16 May

Dubai (B,D)

This morning we take a sightseeing tour of the city - a fascinating historical excursion which takes you to the magnificent Jumeirah mosque and past modern palaces sprawled along the coast. In Bastakiya, see the old wind-towered houses built by wealthy merchants and the 150-year old Al Fahidi Fort. We continue our journey by coach to the gold and spice souks, where we see bustling alleys with the aromas of the numerous spices and dazzling jewellery. Next up, we visit the area of La Mer – a new area nestled between Pearl Jumeira and the upcoming Jumeira Bay. There is time to explore this artsy community and to get some lunch at one of the trendy cafes before we return to the hotel to relax & freshen up prior to our evening activity - a four-wheel drive excursion over rolling dunes deep into the heart of the desert. Watch the sun cast its orange glow over the shimmering sand and enjoy dinner and entertainment

under the stars in Bedu tents.

NB: For those who may have been to Dubai previously, there is the opportunity to join a tour to Abu Dhabi today, in place of the arrangements above. Price is available on request.
